Overall Instructions: Responses to the following items should be appended on separate sheets. Please observe the space limitations, and include 1) your name, 2) the award name, and 3) the section of the report being addressed on the header of all supplemental materials. Return the report to awards staff (awards@gastro.org) as a single PDF.

I. Fully Executed Cover Page

This report should be completed by the award recipient and corresponding grants administrator, then reviewed and verified by the Division Chief/Department Chair. AGA will consider progress reports incomplete without all signatures requested on the cover page.

II. Scientific Progress Report

In no more than two pages (single-spaced), summarize your scientific accomplishments during the award period. Describe how your findings relate to the specific aims of the original application, as well as any changes in research direction that occurred during the term of the award or the effect that the results may have on patient care (if applicable). Describe any specific techniques or skills that you acquired as a result of this award.

III. Lay Project Summary

In less than one page (single-spaced), summarize the scientific accomplishments during the award period in language that is accessible to non-scientific (“lay”) audiences.

IV. Bibliography

List all publications, scientific abstracts, and invited presentations that have resulted during this award period. Denote those directly related to the research funded by the AGA.

V. Concurrent Funding

Attach a NIH PHS 398/2590 Other Support document, listing all active and pending funding for your research activities. Include a project description that is no more than two sentences and indicate any funding that may have overlap with your support from the AGA Research Foundation.

VI. Honors

List any prizes or other honors that you have received since the start date of your AGA Research Foundation funding.

VII. Personal Statement

In less than a half-page (single-spaced), describe how this award has benefited your career. If appropriate, please state how the award has influenced your career decisions and/or academic advancement.

VIII. Biographical Sketch

Attach your most recent NIH biosketch.

IX. Financial Report

This section must be completed by the grants officer whose signature is on the cover page. On institution letterhead, please include a report of all expenses made with award funds, note any accrued interest on award funds, and note any irregularities in processing of funds as an attachment in the final PDF file report.
